

Reduce the cost of Quail Habitat Establishment

1 WHEREAS The cost of planting an acre of quail nesting habitat has been steadily increasing
2 AND WHEREAS Quail habitat can be created by using more cost effective grass/forb mixes;
3 AND WHEREAS Poor economic times have landowners looking at ways to save money and still meet
4 their quail habitat goals;
5 AND WHEREAS the State Technical Committee is currently taking comments on the seed mixes that
6 are used in USDA programs;
7 NOW, THEREFORE, BE IT RESOLVED that the Conservation Federation of Missouri in Annual
8 Convention assembled at the Lodge of Four Seasons, Lake Ozark, MO this 27th day of February, 2010,
9 request that both State and Federal agencies look at ways to lower the cost of establishing quail and
10 upland bird habitat.
