**CFM urges MDC to Reconsider Recommendations to Reduce the Legal Limit
of the number of Bucks from Two to One During Archery Season**

WHEREAS, currently less than two percent of Missouri archers take more than one antlered buck; and

WHEREAS, there is no compelling reason to change current archery regulations as they pertain to the number of bucks taken; now, therefore, be it

RESOLVED, that the Conservation Federation of Missouri assembled at the Capitol Plaza hotel, Jefferson City, MO, this 21st day of March, 2015, urges the Missouri Department of Conservation to continue current archery legal limits of two bucks per archery season.
