After being in D3 drought, most of the summer

# Why We Did What We Did

A photograph of a herd of brown and white cows grazing in a lush green field. The cows are scattered across the field, some facing left and some facing right. The field is filled with tall, vibrant green grass. In the background, there is a dense line of trees and a clear sky. The overall scene is peaceful and rural.

**Middle of July 2023**  
**100 degrees/ Heat index of 120**
